

My husband and I fell in love with Prescott sitting outside of Bill's Pizza in December reveling at the Courthouse Plaza of "Arizona's Christmas City". We quickly decided that Prescott was to be our home.

I have been a sales manager and a commissioned sales person in the real estate and title insurance industries for over 30 years. My experience includes recruiting, training and developing sales agents. Commission sales for me meant listening to the customer and evaluating their needs. This would result in my helping them grow their business.

As the 3rd Vice President of Membership I will work to continue the exceptional job that my predecessor has done leading the membership committee. My goal is to attract new members while increasing participation of existing members.

Thank you for this opportunity.
