President's Message - Sherrie Hanna

Hello RWOP's Valued Members:

Entering into the month of March, RWOP finds itself right in the middle of the 2022 election season. Our monthly luncheons have been increased to two hours and our programs have featured mostly candidates. The candidates have all been very grateful to RWOP for supporting all Republican candidates and giving them an equal opportunity to meet and greet our members, gather signatures on their petitions and speak to our membership.

RWOP continues to move forward and thrive in other areas of our great club. Along with the success of our programs, our Ways & Means committee continues to offer great fundraising that gives our members the opportunity to meet, volunteer together, help inspire us and provide the main funding for our club. Our Education programs are also thriving, offering our Constitution class to refresh our memories or learn new facts that enable us to stand up and defend our great Constitution. This also helps us when we pass this information along to our friends, children and grandchildren. Our Day at the Court will give each of us an insight on how the legal system works, get to know our local judges and get to see first-hand what they deal with every day in administering justice in our community. Our RWOP 101 class has been very beneficial to help our members understand the inner workings of our club and how each of us, whether you are a long-time member or new member, can find a place to volunteer and continue to keep RWOP the influential organization that it is today. The Right To Speak program (RTS) gives our members the opportunity to directly help our legislatures get Republican bills passed. Our Membership and Communications committees reach out to encourage our members to get their friends to join our club and keep us up to date on the events taking place in our club and how our members can participate.

Our Community Outreach program solidifies caring and concern for our community whether by helping organizations that help the needy or by our RWOP School Volunteer Program which supports our local teachers and our generous scholarship program which awards scholarships to graduating Republican Seniors from our local high schools. Due to the generosity of our members, recently, RWOP donated \$7,882 to Honor Flight. This amount has accumulated over the past several years because Honor Flight could not happen due to COVID. We were recognized in our local newspaper for our members supporting Honor Flight, our Veterans and their chance to participate in Honor Flight. Again, through our members generosity, we host as many as 200 Veterans at our annual Veterans luncheon every November. Many of our members are Precinct Committeemen and State Committeemen involved in the workings of our County and State Republican Party. They devote their time and energy to participate and work "door to door", among other things, in support of getting Republican candidates elected and working to help shape the policies of the Arizona GOP.

Eileen Soljack, President of the National Federation of Republican Women stated "Whatever our reasons for becoming involved, each of us has one or more political passions, such as campaigns, legislation, fundraising, communications, community projects, Americanism or leadership. What is your political passion? How can you benefit your Republican women's group by exercising your political passion? Now more than ever your passion for politics is needed! When you become inspired, it inspires the women around you! Let your political passion ignite you to focus on what is worthy, good and right for your organization. Lift each other up and work together. True leadership isn't about position but about passion. It's not about getting credit even when it's due."

John Stuart Mills, in his 1867 inaugural address at the University of St. Andrews, stated: "Let not any one pacify his conscience by the delusion that he can do no harm if he takes no part, and forms no opinion. Bad men need nothing more to compass their ends, than those good men should look on and do nothing. He is not a good man who, without a protest, allows wrong to be committed in his name, and with the means which he helps to supply, because he will not trouble himself to use his mind on the subject." These words were spoken centuries ago, but they still apply today!

I am grateful for each one of you! None of us are paid a salary for what we do at RWOP. We are all volunteers and donate thousands of work hours a year to RWOP because of the love of our Party, Community and Country. Let us continue to be united, do good and stand for the principles of the Republican Party!

CARING FOR AMERICA MARCH ORGANIZATION OF THE MONTH **Hospice of the Pines** The Pines Foundation

Our March Charity of the Month is The Pines Foundation, a nonprofit arm of the Hospice of the Pines in Dewey. The Foundation provides education, awareness and support for end-of-life care, financial assistance for families in need and support for other nonprofit organizations that are dedicated to serving others. The Foundation is funded solely by individual and community donations.

The Hospice itself is always in need of volunteers, some who may assist patients with shopping, cleaning or companionship, others who may want to help with administrative work in the office.

Any monetary or volunteer assistance you can provide will be greatly appreciated.

RWOP Constitution Workshop-UPDATE

There have been over 40 people attending our Constitution workshop. The time has been inspirational as we walk through Why History Matters and the Christian Foundations in U.S. History.

Benjamin Franklin said:

"Only a virtuous people are capable of freedom. As nations become corrupt and vicious, they have more need of masters."

**We are thinking about putting together another class during the summer. Are you interested in attending? Please email Jill Martin and she will put you on the list.

Do you want to learn how to be active in our local and state governments?

Join myself and Anna Tobin on the last Friday of every month 8:00 a.m. at County Seat. We will teach you the specifics of how the city, county and state governments work and how you can track issues and stay current on the important issues.

NEXT MEETING: March 25, 2022
