The Republican Women of Prescott is awarding \$20,000 scholarships to 10 local high school seniors.

The scholarship winners are: BASIS Prescott: Joshua Inman. Chino Valley High School: Phoenix Swiacki. Prescott High School: Madison Jackson, Sawyer Magnett, Camryn McKelvey, Geneva Raber, Abigail Stoecker and Sam Stoecker. Tri-City College Prep: Ann Bracety and Audrey Guess.

Prescott City Council member Steve Blair will interview the students on his live KYCA radio show in May.

In a typical year, the local political organization would award the scholarships at a luncheon program at the Prescott Resort. Because of the COVID-19 coronavirus, however, the luncheon has been canceled.

Instead, the scholarship committee is producing a program that will feature all of the winners with their submitted biographies. Those will then be sent to all 900 organization members and the students so that they can then send those to family and friends. The checks will be mailed to the colleges and universities the students plan to attend in July.
