Eventually, he came up for air and said, "You're a really good kisser." I was shocked, seeing as it was my first time, but I was also too excited to care and went back in for more. As we kissed, he began unzipping my pants. It was clear to me in this moment that he wasn't new to this.

He reached his hand down and pulled out my dick. He quickly went to giving me head. I just sat back and enjoyed it as I could tell he was, too. He was also definitely experienced in what he was doing, because he went to work quite confidently. He then came up and asked me if I wanted to try on him. I said sure. I began and he said, "Watch your teeth." I didn't want to let him know I was inexperienced. So, I slowed down and took my time and luckily got into a good rhythm. He didn't know I was a virgin, and I did my best to act dominant like my favorite porn star. I was an actor, and this was my movie.
