

Anita Zytkowski: Position Description for Campaigns and Petitions:

Overview: I Keep track of all City, County, State and Federal elections. Election dates. I research Republican candidates and campaign managers and make a contact list of them for RWOP's use. I send copies to RWOP's President, First Vice President and Reservations Chair.

Candidates

I contact the candidates and invite them to use a table at our luncheons for Petitions and campaign materials. I provide them with our luncheon dates, reservation information and give them a copy of RWOP's petition rules and collect the table fee which I turn in to the club treasurer at the end of the luncheon.

Petitions

I make table signs for each candidate and place them on the petition tables so people signing know who they are and for what office they are running. I ensure the candidates know where to stand to display their petitions. I find volunteers to oversee the candidate petitions for those that can't attend the luncheon. I train those volunteers on the correct rules for signing petitions each month.

Voter Registration

I set up voter registration at the RWOP monthly meetings as well as at the Yavapai College Library, the YCCA Home & Garden Show and the Yavapai County Fair each year, until the COVID 19 epidemic stopped that activity. Hopefully we can begin that again soon. I train new volunteers if necessary and I have a Committee with Jade Riley, Barbara Phillips, Cathy Messinger, Carol Clum, Gloria Lewine and Jane Antilla, who also help with my other jobs. I write ads requesting volunteers and place them in the RWOP newsletter as necessary. I have composed a list of voter registration rules which I give to each volunteer to assist with their training.

I enjoy all of my positions but meeting and getting acquainted with the candidates is my favorite. Running for office can be stressful and I like helping them feel that they are welcome to our club.

Regards,
Anita Zytkowski
