

Anne Orel Bio

In my previous life, before staying home with kids, I worked as an Auditor for the State of California. After raising our four kids, my husband and I escaped California and relocated to Prescott Valley in 2020. Aside from managing the membership database for RWOP, I'm actively engaged with the Kiwanis Club of Prescott Valley. I enjoy cooking, swimming at the YMCA, and exploring new destinations with my husband in my free time.
