

## Anne Orel's Bio

Anne was born and raised in Sacramento, California, where she and her husband raised four kids. As soon as all the kids grew up and were out on their own, Anne and her husband moved to Prescott Valley so they could live in a community where their beliefs and ideologies matched those around them. Anne joined RWOP soon after and, eager to become more involved, became the database chair in December of 2021. Anne is also involved in the Kiwanis Club of Prescott Valley and in her spare time enjoys swimming at the YMCA and exploring Prescott and the surrounding areas with her husband.
