

## Community Outreach Chair

Getting involved in the town of Prescott to assist at-risk populations and to show RWOP's interest to help are the main goals of Community Outreach position. Currently, we host a coat and blanket drive in January to benefit designated groups, such as Disabled American Veterans, Gospel Rescue Mission and the Men's Shelter and Woman's Shelter in Prescott. We work with the city of Prescott in its Clean-Up Day effort and lastly, we host a local candidate's forum in conjunction with our local radio station, KQNA. Other project and/or events may be identified throughout the year and if they fit best in Community Outreach they may be included. These additions must be presented and approved by the RWOP Board of Directors.
