

## **Cynthia McSwain - Secretary**

My family moved to Prescott in 1971. I am a graduate of Prescott High School, and Yavapai College. I completed my BS in Business Administration at Biola University in La Mirada, CA. I lived in both California and Washington state over the course of my career, before returning to Arizona as a retiree in early 2021. Most of my immediate family is still in the area, including my mother, who is a long-time member of RWOP. I joined RWOP shortly after re-establishing Arizona residency.

I have been interested in history and politics as long as I can remember. I was an elected member of the Orange County (CA) GOP Central Committee for some years, and volunteered on multiple campaigns, including school board candidates.

My career experience is primarily in Finance and Accounting. I am familiar with the major software products that RWOP uses for its administrative record-keeping.

I look forward to serving RWOP in the capacity of Secretary.
