

Deb Robbins Bio

Deb has been an RWOP member since 2016 and attends meetings from Phoenix because she finds the women (and men) in RWOP to be organized, accomplished and a well-spoken group who achieve amazing deeds through their coordinated efforts. Originally from Ohio where she got her Business Education degree from The Ohio State University, she moved to Phoenix for the weather and as a bonus met her husband of 40 years. She got her MBA from Arizona State University so she's a die-hard Buckeye and Sun Devil! Deb's background is in Corporate America having spent most of her career in leadership roles in Training and Development for Motorola, MeraBank and American Express. She has lived in Frankfurt, Germany and Montreal, Canada with her husband's work which broadened her perspective and made her appreciate America and our traditional values even more.

Deb is honored to be able to serve RWOP as the Veterans Chair. She holds veterans in high esteem and believes they should receive not only our deep respect for their sacrifices but get any help they need.
