

RWOP Forum Chair Description

Our forums are held at Las Fuentes Resort Village 1035 Scott Drive in Prescott.

Our venues include speed campaigning, local government speakers and just about anything we feel would be of interest to our members.

As Forum Chair, the duties include procuring speakers/candidates, coordinating with Las Fuentes and with RWOP Communications Director to advertise by creating a flyer advertising the event for our members and Las Fuentes who then creates a publication for their residents. The event is also advertised on the radio.
