

## **Greg Mengarelli Bio**

**Greg Mengarelli** is a long-time resident of Yavapai County and a successful businessman. He looks forward to representing his community as County Supervisor, District 1, where he has resided with his family for the last 29 years. Greg is a strong advocate for the values of faith, family, and freedom.

Greg grew up on small farms and ranches in Kansas before moving to Yavapai County. He learned the value of hard work and self-reliance at a young age. Greg is a strong advocate for private property rights and limited government. He believes that the government should not be eager to interfere in the lives of its citizens. He is also a strong supporter of the Constitution and the Second Amendment.

“Our government needs to protect our residents and their rights and be limited in its scope so that we can be free to pursue our own dreams.”

Greg is dedicated to serving his community, both in the nonprofit and government sectors. Most recently, he has served as Prescott Unified School District President and board member and mayor for the City of Prescott. A man of strong faith, Greg wants to leave our county better than he found it and preserve Yavapai’s traditional values and small-town way of life. He is married to the love of his life and has nine children and four grandchildren.
