

I was born in Boston and still have strong family ties to the East Coast. I moved to CA when I was six months old and grew up in CA, HI, FL, and one miserable winter in Chicago. I went to Fashion Design School in Miami, FL., then worked in the garment district in L.A. I spent 12 years in Fashion Design/Retail then went into Fundraising as my career. I went back to school and got my BS in Business Administration from the University of Phoenix. I spent 28 years in Fundraising working for Human Services organizations and raised over \$100,000 million for the charities I worked with. I am now a retired fundraiser from Orange County, CA. that relocated to Prescott Valley with my husband John full time in 2018 and we love it. I have held many positions on the Board of Directors of the Association of Fundraising Professionals (AFP) in Orange County on and off for 19 years., including President of the Chapter in 2001. Currently, I serve on the Membership Committee of AFP Greater Arizona Chapter. I have been a member of the Junior League of Orange County since 1987. I have served in many leadership roles and been on the Board several times throughout my active years in Junior League. Locally I worked on Martha McSally's campaign and met many wonderful RWOP members. I look forward to serving you as 3rd Vice President of Membership in 2022.
