

## Hospitality Committee Chair

The committee consists of approximately 16 members. Our duties are to transport and set up the table decorations on the evening prior to the luncheon. At the luncheon, we greet members, help them find their table, direct them toward the membership table, monthly raffle table, petitions table, etc. Each luncheon, two of us visit the tables prior to the call to be seated, to introduce ourselves and see if we can assist in any way. This is especially important to first time attendees. After the luncheon, we remove RWOP property from the tables, pack up 4 totes and transport them back to storage. We also alphabetize the table name place cards for reuse at the next luncheon. Our group has helped at the various parades and any special events to assist the RWOP Board.

This committee takes about 6 to 10 hours a month, which includes attending the Full Board Meeting each month. The most important skill to serve on this committee is just the desire to meet new members and help them where possible. A big smile and a welcome to the luncheon is the only public speaking required!
