

My name is Jill Martin and I am honored to serve our great Republican Women's Group here in beautiful Prescott, Arizona. I have lived in Prescott since 2009 with my husband of 28 years and our four children. I have been interested in history and politics since attending college and studying political science. Through the years, my interest has grown and I now see the urgent need for each citizen of this great nation to know and be able to articulate the rights endowed by our creator and affirmed in the US Constitution. It is my goal during my service to hear from each member the areas of interest and from there to inspire and educate. Together, we can make a big difference in our community, our state and our nation. I look forward to meeting all of my patriot sisters in the coming months.
