

## Judie Vullo - Bio

During her 27-year career at The Boeing Company, Judie worked as an Engineering Support Specialist and Graphic Artist in Technical Publications. From 2010 through 2016, she served on the Board of Directors for the Boeing Leadership Association of SoCal (BLASC) <https://blasc.us/>, followed by two years on the Southern CA Area Council (SCAC). She has held many positions which include; VP Communications, VP Professional Development, VP Programs, and BLASC President.

In 2018, she moved to Prescott with her husband, Dave, and together they enjoy and appreciate all that the community has to offer. Judie also likes to travel and visit her three children and grandchildren often. Her extra-curricular activities include, Fitness Instructor, Realtor and is involved in other social groups within Prescott.

Judie appreciates the structure and professionalism within the RWOP organization and decided to join in 2019. She believes that the knowledge and skills she has developed over the years are aligned with the core values of the RWOP organization.

In 2020-2021, Judie served on the RWOP Executive Board, as 4<sup>th</sup> VP of Communications and she is currently on the board as Photographer / Historian. Judie has a strong desire and willingness to serve and continues to assist the organization as needed.
