

Bio for Judi Kay Williams

I was born in Trenton, Michigan, and after high school graduation, I moved to Carson, CA to work and possibly go to school. I was privileged to be hired by North American Aviation in July of 1965, and worked there until I had my first child in 1976. What a great place to work. I was the youngest person in my Contracts & Pricing group of close to 150 people. I didn't realize it at the time, but I was surrounded by men and women who had been born during the Great Depression and served in the military in WWII, not all, but several. They were very patriotic and conservative Americans and that rubbed off on me.

Over the years, I have worked for an electrical company, a parochial school and a CPA firm – as an administrative assistant.

Buz Williams and I have been married for over 47 years. He is a retired Police Sergeant with the City of Long Beach, CA. We have two sons, Richard and Matthew, who are married and each have two children.

We moved to Prescott in 2004 from San Pedro, CA, and that's when I joined RWOP.

I currently serve as the Hospitality Committee Chairperson, I am on the AzFRW Nomination Committee, and I am an RWOP Singer.
