

For the past two years, Judy has served as 3rd Vice President – Membership, of the Republican Women of Prescott, proudly using new technology to bring accuracy and efficiency to the production of the annual Directory. Judy presided over the RWOP milestone achievement of membership in excess of 1,000 members. For RWOP, Judy has worked in merchandise at the local Home Shows and at the Prescott Fair, served as the RWOP auditor (2019), served as awards/volunteer hours committee chair person (2019-2021), and prior to becoming the 3rd Vice President, she spent two years working in RWOP Membership. Having a strong love for the goals and ideals of the Republican Party and the RWOP organization, I am looking forward to another year on the Board, this time as 1st Vice President, Programs, and a chance to bring interesting and informative speakers to RWOP in 2022.
