MICHAEL KABELL
PRESCOTT, ARIZONA
[\(928\) 925-2915](tel:(928)925-2915)

MICHAEL KABELL, a 5 five year Air Force Veteran and former Chief of Police of Prescott, Arizona, is running for the Prescott City Council.

Michael has lived and worked in Prescott since 1990. He is a family man and is fortunate enough to have the support of his wife Carrie and his three adult children. He has been a participating parent with his children at Sacred Heart Catholic School as well as Prescott High School with sports and various activities. He is an active member of the community serving as a police officer working his way up through the ranks to the position of Police Chief. Through Michael's 32-year extensive career, he was the leader in implement managing community programs such as National Night Out, Shop with the Cop, Citizens on Patrol, the graffiti removal program, Citizens Police Academy,

Northern Arizona Regional Training Academy, and community policing programs.

While serving as Police Chief, and Deputy City Manager, some of Michael's specialty areas include leadership, management, supervision, creating budgets, strategic planning, training and mentoring programs, tactical responses to crime data analysis, incident management, fleet management, records management, grant writing, communications, human resources, and customer service.

Michael has served on various boards and commissions, including the Arizona Department of Homeland Security, Western Regional Advisory Council, Arizona Counter Terrorism Information Center (ACTIC) Executive Board, NARTA User Group Chairperson, PANT User Group Committee, Prescott College President's Advisory Board, MAT Force Executive Board and Steering Committee, as well as being a Yavapai College Adjunct Faculty Member. He was also responsible for bringing the Prescott Police Department into the 21st Century with technology such as mobile data computers, automated vehicle locators, strong radio infrastructure, electronic ticket writing, computerized briefing trainings, standardized all emergency equipment in the patrol fleet, thermal imaging cameras, automated license plate readers, in-car digital video and storage.

Michaels owns Innovative Global Solutions (a consulting business) and from the ground up built, owned and operated Prescott Gun Club.

Some of Michael's concerns for Prescott are water availability, transparency in government as well as responsible growth concerning roads, infrastructure and residential and commercial building. Michael vows to be responsive and listen to his constituents' viewpoints which include the voice of the citizens and the work force of the City of Prescott.

Michael is a graduate of the FBI National Academy, holds many FEMA certifications, and has an AA Degree in Criminal Justice and a BA Degree in public administration with an emphasis in Risk Management. Michael enjoys woodworking, mountain biking, instructing jujitsu, physical conditioning, offroad adventures, traveling and visiting with his children.
