

Linda Bray, Outreach Chair:

My name is Linda Bray and I love serving RWOP through the Community Outreach position. I have been married to my husband, Hal, for 54 years and we have one son, Chris. Chris, his wife, Ann, and our 14 year old granddaughter, Madeline, live in South Pasadena.

I was a teacher of first, second, fourth and fifth graders in Southern CA and continued my career in the Bay Area as a special education teacher. Moving to Prescott 3 years ago was the best move ever and I enjoy Tai Chi classes, hiking the trails, Bible study, moderating the Hadassah book club and talking to like-minded people here at RWOP, in Prescott and in the surrounding areas.
