

Mary Frederickson; life-long registered Republican voter; U.S. Navy veteran (stationed at NAS Fallon, NV, running anti-aircraft radar to train our pilots to avoid surface-to-air missiles), 1978-1982; Bachelor of Science, Business Administration, Organizational Management, summa cum laude, 1995; Juris Doctorate, cum laude, 1999; law licenses in California (1999) and Arizona (2014), both inactive, retired; moved to our forever home in Prescott with my husband Gene and our doggo in 2013.

After arriving in Prescott, I involved myself in the community: attended Prescott's Citizen and Police Academies and volunteered (People Who Care, Prescott USD, Court Appointed Special Advocates, Arizona Crisis Team). Wanting to become involved in the City's inner workings, I sought to be and was appointed to the Board of Adjustment (2020 - present) and to the General Plan Review Committee (2022 - 2024). All this leads me to wanting to be a voice at the table on the broader scope of City issues, and to my candidacy for a seat on the City Council.
