

Michele Hamer - Ways and Means

My name is Michele Hamer, and it is my great honor to serve on the Republican Women of Prescott's Executive Board of Directors. I have served as a school volunteer with RWOP for many years and am delighted to take on this additional role. In the 17 years I've lived in Prescott, I have enjoyed many volunteer opportunities. Being a hospice volunteer gave me a greater appreciation for family, life, and good health. Coordinating fund-raisers for Special Olympics athletes gave me a better understanding of the challenges our local families face and how blessed I am to have children without special needs. In my role as Chairman and co-founder of the Arizona School Board Watchdogs, I have met many hard-working, like-minded people who fight diligently to protect our most vulnerable. It's a blessing to live in this beautiful part of the world, and I look forward to being part of the great work the Republican Women of Prescott provide for our community.
