MEET CATHEY RUSING

I was born at Walter Reed Army Hospital. My Father was career Air Force. We “landed” in Arizona in 1965, and I’ve been an “Arizona Girl” ever since. I graduated from the UofA with a Bachelor of Science in nursing, and soon married long term Prescott resident Dr. Tom Rusing. We returned to Prescott to raise our family and start a surgical practice in 1986. We are the proud parents of 3 boys. I was elected to my first term on Prescott’s City Council in 2019, and re-elected in 2023. My time on Council has been fulfilling and rewarding.

CATHEY’S RECORD ON CITY COUNCIL

- Helped to craft new Water Policy that includes a water budget and provides City water only to annexed parcels. Chair of Water Issues Subcommittee.
- Spearheaded effort to pass Proposition 478, to provide new fire & police stations and personnel, improving public safety.
- Working to keep schools, churches, and homes out of the airport crash zones by passing stronger zoning and city codes.
- Supported creation of Glassford Dells Regional Park and Preserve.
- Supported reinstating “Call to the Public” in Council meetings, to give citizens a voice.
- Working on economic development and workforce housing.
- Supported traffic & safety improvements on AZ 89 in the Dells, without widening.
- Opposed Sundog Connector because of cost and impact on Regional Park.

The Primary Election this year will be on August 5th. All ballots will be provided by mail. I humbly ask for your support.
